

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS:

1. Matarasso SL, Beutner EH, Kumar V. The sensitivity and specificity of the lupus band test. Western New York Dermatologic Society; Rochester, NY. March, 1984.
2. Kalter DC, Rosen T, Sperber J, Matarasso SL. A new agent and guidelines in the treatment of pediculosis pubis. Seventeenth World Congress; Berlin, Germany. May, 1987.
3. Rosen T, Matarasso SL. Zosteriform cutaneous metastasis. South Texas Dermatologic Association; San Antonio, TX. November, 1987.
4. Matarasso SL, Rosen T. Zosteriform cutaneous metastasis: case presentation and review of the literature. American Academy of Dermatology; San Antonio, TX. December, 1987.
5. Greenberg C, Rosen T, Matarasso SL. Unusual manifestations of cutaneous metastasis. American Academy of Dermatology; Washington, DC. December, 1988.
6. Auletta M, Matarasso SL, Tromovitch TA, Glogau RG. Immediate intraoperative tissue expansion in dermatologic surgery. American Academy of Dermatology; San Francisco, CA. December, 1989.
7. Matarasso SL. Retinoids and interferons in the treatment of skin neoplasia. Combined Dermatology and Plastic Surgery Workshop; San Francisco, CA. June, 1990.
8. Matarasso SL. Advanced cutaneous surgery: facial anatomy and the facial nerve. American Academy of Dermatology; Atlanta, GA. November, 1990.
9. Moy, R, Matarasso SL. Cohen B. Intraoperative tissue expansion. American Society for Dermatologic Surgery; Scottsdale, Arizona. April, 1991.
10. Matarasso SL. Facial anatomy for the dermatologic surgeon. American Academy of Dermatology; Monterey, CA. June, 1991.
11. Matarasso SL. Chemical peels: newer developments and indications. Colorado Society for Dermatologic Surgery; Colorado Springs, CO. September, 1991.
12. Matarasso SL. Chemical face peels: insights into improving appearance. University of Medicine and Dentistry of New Jersey; New Brunswick, NJ. October, 1991.
13. Matarasso SL. Advances in skin cancer management: chemotherapy: retinoids and interferons in skin cancer management. University of California, School of Medicine; San Francisco, CA. November, 1991.
14. Matarasso SL. Chemical peels. Grand Rounds, Department of Dermatology, University of California, School of Medicine; San Francisco, CA. January, 1992.
15. Matarasso SL, Instructor. Basic dermatologic surgery. American Academy of Dermatology; 1990-1993.
16. Matarasso SL, Instructor. Intermediate dermatologic surgery. American Academy of Dermatology; 1991-1993.
17. Matarasso SL, Instructor. Advanced dermatologic surgery. American Academy of Dermatology; 1990-1993.

18. Matarasso SL. Full thickness skin grafts. American Academy of Dermatology; San Francisco, CA. December, 1992.
19. Matarasso SL. Patient selection in chemical peeling. American Academy of Dermatology; San Francisco, CA. December, 1992.
20. Matarasso SL. Woods lamp for superficial chemical peels. American Society for Dermatologic Surgery; Charleston, SC. March, 1993.
21. Matarasso SL. Cosmetic dermatologic surgery. American Society for Dermatologic Surgery; Charleston, SC. March, 1993.
22. Matarasso SL. Facial liposuction. Sixth International Symposium of Facial Plastic Surgery; San Francisco, CA. June, 1993.
23. Glogau RG, Matarasso SL, Perkins SW. Improved techniques in dermabrasion. Sixth International Symposium of Facial Plastic Surgery; San Francisco, CA. June, 1993.
24. Matarasso SL. Surgical Pearls: hair transplantation – innovative Instruments, Part I. American Academy of Dermatology; Washington, DC. December, 1993.
25. Matarasso SL. Surgical Pearls: hair transplantation – innovative Instruments, Part II. American Academy of Dermatology; Washington, DC. December, 1993.
26. Matarasso SL. Surgical Pearls: Woods lamp – an adjunct in superficial peels. American Academy of Dermatology; Washington, DC. December, 1993.
27. Matarasso SL. Practical Cosmetic Dermatology: facial liposuction. American Academy of Dermatology; Washington, DC. December, 1993.
28. Matarasso SL. Chemical Peeling: determining evenness of application of superficial peeling agents. American Academy of Dermatology; Washington, DC. December, 1993.
29. Matarasso SL. Intermediate surgery: full thickness skin grafts. American Academy of Dermatology; Washington, DC. December, 1993.
30. Matarasso SL. Advanced cutaneous surgery: classification of chemical peels. American Academy of Dermatology; Washington, DC. December, 1993.
31. Matarasso SL. Woods lamp for superficial chemical peels. American Academy of Cosmetic Surgery; Palm Springs, CA. January, 1994.
32. Matarasso SL, Scherring Speaker. Chemical peels. Houston Dermatology Society; Houston, TX. February, 1994.
33. Matarasso SL, Moderator. Cosmetic and dermatologic surgery. American Society for Dermatologic Surgery; San Diego, CA. May, 1994.
34. Matarasso SL. Techniques in hair transplant surgery. Reuniao Anual de Cosmiatria y Medicina Estetica; Sao Paulo, Brazil. July, 1994.
35. Matarasso SL. Facial liposuction. Reuniao Anual de Cosmiatria y Medicina Estetica; Sao Paulo, Brazil; July, 1994.
36. Matarasso SL, Guest Speaker. Chemical peels. Reuniao anual de cosmiatria y medicina estetica; Sao Paulo, Brazil. July, 1994.

37. Matarasso SL. New techniques in liposuction. American Academy of Dermatology; San Francisco, CA. July, 1994.
38. Glogau RG, Matarasso SL. Aesthetic dermatologic surgery. Academy of Dermatology; San Francisco, CA. July, 1994.
39. Matarasso SL. Chemical peels. Dialogues in Dermatology. American Academy of Dermatology; San Francisco, CA. July, 1994.
40. Beeson WH, Glogau RG, Matarasso SL. The use of fluorescein sodium in facial chemoexfoliation. American Academy of Facial Plastic and Reconstructive Surgery; San Diego, CA. September, 1994.
41. Matarasso SL. State of the art in facial chemical peeling. American Academy of Facial Plastic and Reconstructive Surgery; San Diego, CA. September, 1994.
42. Rubin M, Matarasso SL. Glycolic acid and trichloroacetic acid peels. American Society for Plastic and Reconstructive Surgery; San Diego, CA. September, 1994.
43. Matarasso SL. Tumescant liposuction. Israel Society for Dermatologic Surgery; Tel Aviv, Israel. December, 1994.
44. Matarasso SL. Chemical peeling. Israel Society for Dermatologic Surgery; Tel Aviv, Israel. December, 1994.
45. Matarasso SL. Submental liposuction. Tumescant Liposuction Workshop; Loveland, CO. January, 1995.
46. Matarasso SL. Chemical peels: a practical guide for nurses. Dermatology Nurses Association; New Orleans, LA. February, 1995.
47. Matarasso SL. Liposuction: necks, knees and ankles. American Academy of Dermatology; New Orleans, LA. February, 1995.
48. Matarasso SL. Autologous fat transplantation: where are we? American Academy of Dermatology; New Orleans, LA. February, 1995.
49. Matarasso SL. Glycolic peels for photodamage. American Academy of Dermatology; New Orleans, LA. February, 1995.
50. Matarasso, SL. Full thickness skin grafts. American Academy of Dermatology; New Orleans, LA. February, 1995.
51. Matarasso SL. Chemical peels. Idaho Dermatologic Society; Coeur D'Alene, ID. May, 1995.
52. Matarasso SL. Woods light in superficial peels. American Society for Dermatologic Surgery; Hilton Head, SC. May, 1995.
53. Matarasso SL, Monheit GD. State of art in chemical peels. American Society for Dermatologic Surgery; Hilton Head, SC. May, 1995.
54. Matarasso SL. New techniques in liposuction. Academy of Dermatology; Chicago, IL. July, 1995.

55. Maas CS, Fagien S, Matarasso SL. Filling agents in facial plastic surgery: autologous fat injection. Masters Seminar. American Academy of Facial and Plastic Reconstructive Surgery; New Orleans, LA. September, 1995.
56. Matarasso SL, Coleman W. Glycolic and trichloroacetic acid peels. American Society for Plastic and Reconstructive Surgery; Montreal, Canada. October, 1995.
57. Matarasso SL. Liposuction of the neck, knees and ankles. American Academy of Dermatology; Washington, DC. February, 1996.
58. Matarasso SL. Surgical complications: chemical face peels. American Academy of Dermatology; Washington, DC. February, 1996.
59. Matarasso SL. Cosmetic surgery. American Academy of Dermatology; Washington, DC. February, 1996.
60. Matarasso SL. Botulinum toxin for facial rhytides. American Academy of Dermatology; Washington, DC. February, 1996.
61. Matarasso SL. Superficial chemical peels. American Academy of Dermatology; Washington, DC. February, 1996.
62. Matarasso SL, Moderator. Panel on liposuction surgery. American Academy of Cosmetic Surgery; San Francisco, CA. May, 1996.
63. Matarasso SL. Chemical face peels. American Society for Dermatologic Surgery; Palm Springs, CA. May, 1996.
64. Matarasso SL, Moderator. Cutaneous resurfacing. American Society for Dermatologic Surgery; Palm Springs, CA. May, 1996.
65. Matarasso SL. Surgical Pearls: perils and pitfalls of liposuction of the knee. American Academy of Dermatology; Orlando, FL. July, 1996.
66. Matarasso SL. Surgical Pearls: ear piecing facilitated by magnetic earrings. American Academy of Dermatology; Orlando, Florida. July, 1996.
67. Matarasso SL. Surgical Pearls: Woods lamp for superficial chemical peels. American Academy of Dermatology; Orlando, FL. July, 1996.
68. Matarasso SL. Considerations in periocular surgery. American Academy of Dermatology; Orlando, Florida. July, 1996.
69. Matarasso SL. Tumescence liposuction surgery. American Academy of Dermatology; Orlando, FL. July, 1996.
70. Matarasso SL. Sclerotherapy for telangiectasias. North American Society for Phlebology; San Francisco, CA. August, 1996.
71. Matarasso SL, Moderator. Skin health and maintenance. Minimally Invasive Techniques for Facial Rejuvenation: A Multidisciplinary Course. University of California; San Francisco, CA. October, 1996.
72. Matarasso SL. Complications of alpha-hydroxy acid peels. Minimally Invasive Techniques for Facial Rejuvenation: A Multidisciplinary Course. University of California; San Francisco, CA. October, 1996.

73. Matarasso SL, Coleman, W. Glycolic and trichloroacetic acid peels. American Society for Plastic and Reconstructive Surgery; Dallas, TX. November, 1996.
74. Matarasso SL. Combination chemical peel and laser. First Annual International Symposium on Aging Skin; San Diego, CA. February, 1997.
75. Matarasso SL. Botulinum toxin. First Annual International Symposium on Aging Skin; San Diego, CA. February, 1997.
76. Matarasso SL. New and emerging therapies: new treatments for the aging face. American Academy of Dermatology; San Francisco, CA. March, 1997.
77. Matarasso SL. Complications of chemical peels. American Academy of Dermatology; San Francisco, CA. March, 1997.
78. Matarasso SL. Superficial chemical peels. American Academy of Dermatology; San Francisco, CA. March, 1997.
79. Matarasso SL. Advanced dermatology surgery: analysis and treatment of the aging face. American Academy of Dermatology; San Francisco, CA. March, 1997.
80. Matarasso SL, Course Director. Advanced dermatologic surgery: new wrinkles on the aging face. American Academy of Dermatology; San Francisco, CA. March, 1997.
81. Matarasso SL, Moderator. Facial rejuvenation. American Society for Dermatologic Surgery; Boston, MA. May, 1997.
82. Matarasso SL. Analysis of the aging face. American Society for Dermatologic Surgery; Boston, MA. May, 1997.
83. Brody HJ, Matarasso SL. Introduction to facial rejuvenation. American Society for Dermatologic Surgery; Boston, MA. May, 1997.
84. Matarasso SL. Aesthetic use of botulinum-A exotoxin. American Society for Aesthetic Plastic Surgery; New York, NY. May, 1997.
85. Matarasso SL. Deep chemical peels. World Congress of Dermatology; Sydney, Australia. June, 1997.
86. Matarasso SL. Lipo-injection for the aging hand. World Congress of Dermatology; Sydney, Australia. June, 1997.
87. Matarasso SL. Tumescent liposuction. Academy of Dermatology; New York, NY. July, 1997.
88. Matarasso SL. The use of botulinum toxin in clinical dermatology. Pacific Dermatologic Association; Portland, OR. August, 1997.
89. Matarasso SL. Glycolic and trichloroacetic acid peels. American Society for Plastic and Reconstructive Surgery; San Francisco, CA. September, 1997.
90. Matarasso SL. Botulinum toxin in clinical dermatology. Second International Symposium on Aging; Miami, FL. January, 1998.
91. Matarasso SL. Advanced surgical techniques: when bad things happen to good surgeons: filler substances. American Academy of Dermatology; Orlando, FL. February, 1998.

92. Matarasso SL. Cosmetic surgery: fat transfer. American Academy of Dermatology; Orlando, FL. February, 1998.
93. Matarasso SL, Course Director. The forest or the trees: reality versus myth in dermatologic surgery. Advanced Cosmetic Surgery, American Academy of Dermatology; Orlando, FL. February, 1998.
94. Matarasso SL. Liposuction: intraoperative positioning. American Academy of Dermatology; Orlando, FL. February, 1998.
95. Matarasso SL. Principles and techniques of soft tissue augmentation: lipo-augmentation of the hands and face. American Academy of Dermatology; Orlando, FL. February, 1998.
96. Matarasso SL. Skin resurfacing: when do I use superficial peels? American Academy of Dermatology; Orlando, FL. February, 1998.
